Enchanting St. Petersburg

brecent group days

The international congress offers exciting lectures by renowned international speakers. Experience the fascinating city of St. Petersburg with us and learn about the latest developments and results in dentistry and dental technology.

St. Petersburg, one of the most beautiful metropolises of the world:

2,300 palaces, gorgeous buildings and castles - hardly any other city in the world offers such a variety and abundance of historical sights. The „Venice of the North“: St. Petersburg's magnificent aristocratic palaces and castles are reflected in countless rivers and canals.
